

Declaration of conformity to the REACH regulation (EG 1907/2006), SVHC candidate list from 07/16/2019

Declaration of Conformity to the RoHS Directive (2011/65/EU, Annex IV 2014/16/EU and Annex II 2015/863/EU)

As a manufacturer of metallic products, we are a downstream user (producer of products) according to the REACH regulation.

According to information from our suppliers, the materials we use do not contain any substances from the SVHC candidate list (ECHA 191 substances) or the maximum permissible limit values are observed. It has been agreed with our suppliers that only REACH and RoHS-compliant products are delivered to us. If the conformity is not maintained, our suppliers are obliged to inform us immediately.

As soon as we determine that our products are subject to notification under Art. 33, we will inform you without being asked.

We confirm that our standard products conform to the RoHS directive and are produced in accordance with the applicable requirements.

Please understand that we cannot fill out any special questionnaires due to the large number of inquiries. However, we hope that this statement contains the information you are looking for and thank you for your trust and the good cooperation.
